Summary

Dynamic React.js Developer with a proven track record in crafting responsive user interfaces. Proficient in React elements, modular code, and Redux for robust state management. Skilled at API integrations for efficient data retrieval, translating Figma designs into interactive components. Deep understanding of front-end principles, emphasizing responsive design. Committed to continuous learning and staying updated on emerging React.js trends.

Actively seeking opportunities where I can further enhance my skills, gain hands-on experience, and apply my proficiency to contribute effectively to challenging projects. Leveraging hands-on experience, I've contributed to diverse projects, showcasing technical proficiency. A collaborative team player, I bring expertise in creating dynamic and interactive web applications.

Work Experience

TECH CURVE AI & INNOVATIONS

React JS Developer, Dec 2022 - Dec 2023

- Proficient in utilizing all **React elements and components** for building dynamic and interactive user interfaces.
- Experienced in implementing **Redux for effective state management**, ensuring scalability and maintainability.
- Skilled in seamlessly **integrating APIs** into React applications, facilitating efficient data retrieval and manipulation.
- Collaboratively used Figma for translating design concepts into **React components**, ensuring alignment with **UI/UX requirements**.
- Deep understanding of front-end development principles, including **responsive design**, cross-browser compatibility, and accessibility.
- Experience in using markup languages like **HTML** to create user-friendly web pages, ensuring responsive and adaptive web designs.
- Standardized all output with a new, **responsive**, mobile-first approach and strategy.
- Designed and assessed **UX and UI designs** conversion into HTML pages.
- **Collaborated** with product team members to implement new feature developments and modifications.

Projects - Past work

- **React Portfolio Website**   **Live Link: https://renukakadarideveloper.netlify.app/**
  In my React Portfolio, a dynamic and visually engaging platform crafted to convey my expertise, creativity, and passion for web development. The entire portfolio is an immersive experience, showcasing a blend of technical proficiency and innovative project work. Technologies used include HTML, CSS, Bootstrap, React, JavaScript, Git, Netlify, Figma, resulting in a scalable and maintainable codebase.

- **Dynamic React Project- Hearty Helper**   Live Link: **https://heartyhelper.co/**

  Contributed to a dynamic React project facilitating seamless interaction between customers and employees. The platform features distinct login portals, real-time updates, notifications, post creation, multilingual support, and a chat module using Socket.io. The project showcases a user-centric approach, leveraging a range of React features for secure authentication, profile management, and real-time communication.

- **Seeq Pages Development - TechCurve**   Live Link: **https://techcurve.co/**

  Spearheaded the development of four robust modules, leveraging Figma for UI/UX design and translating designs into functional modules using HTML, CSS, Bootstrap, and JavaScript. Conducted in-depth content research to enhance user experience, resulting in dynamic and user-centric modules for Tech Curve AI & Innovations.

- **ConQT E-Procurement Platform - Conqt**   Live Link: **https://www.conqt.com/**

  Played a key role in ConQT, an innovative E-Procurement Platform, contributing to impactful email templates, UI/UX design research, and development of visually compelling HTML emailers. Curated content for over 120 products, organized into a comprehensive Excel file, and led the development of HTML pages using CSS and Bootstrap. By actively participating in these facets of various projects, I have played a crucial role in enhancing overall functionality, appeal, and user experience.

Total Experience

- **Worked as a React Js Developer, Trainee**   **Apr 2023 to Dec 2023**
   Tech Curve AI & Innovations
- **Worked as a Frontend Developer, Internship**   **Dec 2022 to Apr 2023**
   Tech Curve AI & Innovations
- **Worked as a Consultant, Freelancer**   **June 2021 to Mar 2023**
   Excelra Knowledge Solutions PVT LTD
- **Worked as DTP Operator, Administrator, UI&UX designer**   **June 2018 to June 2021**
   Daffodils High School & Siddhartha PG College

Education

JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY HYDERABAD
Bachelor of Technology, **Civil Engineering** (2013 - 2017), Warangal,Telangana.

Certifications

- ✓ Cutshort Certified React.js, Jan 2024, credential Id: 92075 - **Cutshort**
- ✓ Cutshort Certified HTML/CSS, Jan 2024, credential Id: 92076 - **Cutshort**
- ✓ React JS Tutorial, Dec 2023 - **Great Learning**
- ✓ FrontEnd Development - CSS, Mar 2022 - **Great Learning**
- ✓ FrontEnd Development - HTML , Mar 2022 - **Great Learning**
- ✓ Software Testing, Apr 2022 - **Great Learning**
- ✓ Programming in HTML5 with JavaScript and CSS3, Nov 2022 - **Sololearn**
- ✓ HTML5 and JavaScript Certification, Nov 2022 - **Sololearn**

Technical Skills

- **Programming Languages**
  - ✓ JavaScript (ES6+)

- **React.js Skills**
  - ✓ React Components and Props
  - ✓ State and Lifecycle Management
  - ✓ React Router for Navigation
  - ✓ Hooks (useState, useEffect, etc.)
  - ✓ Redux for State Management
  - ✓ React Forms and Form Validation
  - ✓ Styled Components for Styling
  - ✓ Material-UI or other UI component libraries
  - ✓ Responsive Web Design with React

- **Version Control and Collaboration**
  - ✓ Git
  - ✓ Git Hub
  - ✓ Netlify
  - ✓ Pull Requests and Code Reviews
  - ✓ Collaboration Tools (Jira)

- **Tools and Utilities**
  - ✓ Webpack or other module bundlers
  - ✓ Package Managers (e.g., npm, Yarn)
  - ✓ Command Line and Shell Scripting
  - ✓ REST Client (e.g., Postman)
  - ✓ Browser Developer Tools
  - ✓ Performance Monitoring and Optimization

- **Web Development**
  - ✓ HTML5
  - ✓ CSS3
  - ✓ Responsive Web Design
  - ✓ CSS frameworks (Bootstrap, Foundation, etc.)
  - ✓ Flexbox and CSS Grid Layout
  - ✓ Frontend frameworks (React.js)
  - ✓ Webpack or other build tools
  - ✓ RESTful API Integration
  - ✓ Axios and Fetch API
  - ✓ Socket.io
  - ✓ SEO Best Practices for Web Development

- **Operating Systems**
  - ✓ Windows
  - ✓ Linux

- **Additional Skills**
  - ✓ Continuous Learning and Keeping Abreast of Industry Trends
  - ✓ Documentation (Code Comments, API Documentation)
  - ✓ Problem Solving and Debugging
  - ✓ Soft Skills (Communication, Team Collaboration)
  - ✓ Figma - UI/UX design
  - ✓ Manual Testing

Additional information

- **Languages** : Telugu, English, Hindi
- **Dev.to** : https://dev.to/renukadari
- **LeetCode** : https://leetcode.com/renukadari/
- **Hobbies** : Follow the Dev Sources and Community, participate in contests, upgrade to new technologies

Declaration

I hereby attest that, to the best of my knowledge, the facts and information provided above are accurate and full.
